

Dear Parents,

A large part of having a successful year and making St. John Lutheran School an effective and efficient educational agency involves parental help. In past years, people have given freely of their time and talents to this end. If there is some area in which you feel you could assist your school this year, please place a check in the blank or blanks and return this form to school on registration day or soon after.

I am willing to assist in the following area(s):

- _____ Chaperoning Field Trips – I would prefer grade level(s) _____
- _____ Health Committee – Assisting the nurse in vision screening and hearing tests.
- _____ Coaching – Assisting in coaching extra-curricular activities. Please use the “remarks” line to list preferences.

All of the above areas of volunteer help are subject to the approval of the Board for Christian Education. Other specific volunteer opportunities will be given through the newsletter and church bulletin. These volunteer positions will be offered with a job description.

Sincerely,
Mark Eternick, Principal
