Wish List for New Fellowship Hall and Offices

Well it looks like we are on the home stretch. Just a few more hoops to jump through and we will have accomplished what we have been trying to do for 10 years. God is good!

As we would expect, the wish list grows and then someone lovingly helps out by contributing to our mission and we are able to cross something off the list. We will try to update this periodically, but welcome any questions or a phone call if need be. Below is the "opportunity" list.

- Printer for new offices.....\$450.00
- Audio /Visual installation & equipment
- New phone system
- Dining tables and chairs
- Church library shelving
- Large flat screen TV.....\$900.00
- New entryway floor mats....\$1,000.00
- New information sign in turn around

There have been a few things that members have offered to cover the expense on and we are truly grateful for the generosity. We have been able to purchase the stove, refrigerator, microwave and hood fan for the kitchen. The ceilings in the library and meeting room have been installed. We will purchase the small refrigerator with the 11% back for the coffee area. We have also been able to acquire a few pieces for furnishing as you can see next to the new entryway to the fellowship hall and the price of the built in shelving for the pastors and administration offices has been gifted.

When possible, the grand piano will be moved into the new hall as well as the church pew and the tables that we do have. This will definitely be a continued labor of love.

Please call the office at 920-478-2707 with any questions you may have and we will be happy to answer what we can.
